Dear Brother

I have but just done perusing your letter I was very much pleased with it and hope to receive another from you very soon you see how readily I am to answer yours, the Governor ~~means~~ goes to Hartford monday I believe, I thought I would write by him. you had quite a ride it seems before you got home but lost your ride to Hartford. — I am as busy as a bee at present knitting petticoats as you saw Mrs Trumbull last winter I have knit one for myself am knitting one for Aunt Lydia when I have done that I am going to knit another one for me. [illegible] do you know any-thing about Mr Whitney's paying attention to Nancy I hope she wont get married before I return home. The Meetinghouse gets along finely it is almost covered but I believe they dont calculate to meet in it untill it is done. there is [illegible] an Indian to be hung at Windham next week the people begin to think about going over there but I think I should rather go as far the other way

give my love to the family an accept a share of it to your self, From your affectionate Sister Sophia Robin

I am sorry to hear Mrs Clare is no better
